

The Abacus Club

Maths is...

Part of our everyday lives.

It is a question of how you learn it!

our Programmes

- Suitable for children aged 4 and above
- Focus on the use of the Japanese abacus
- Complement and reinforce school mathematics
- Full of fun
- Highly structured
- Accommodate different learning styles
- Gradual introduction of maths concepts
- Learn together with your child

Join in the fun of Maths clubs.
Beat “Maths preconceptions”

“My brain doesn’t work that way”

“I will never understand it!”

“You’ve either got it or you haven’t”

Why the Japanese Abacus?

- Any child can do it
- Develops mental maths agility
- Computes with accuracy and speed
- Boosts confidence
- Increases concentration spans
- Improves attitude towards learning maths
- Integrates the use of sight, sound, and finger movements
- Develops spatial ability
- Excellent for children with maths learning difficulties
- Beneficial for visual and tactile learners such as dyslexic children

Classes are run for 40 minutes on a weekly basis.

Puffin classes are available for children aged 4 and 5 (parental participation is encouraged).

Toucan classes are available for children aged 6 and above.

Please contact 0759 571 7605 or email enquiries@theabacusclub.co.uk to book a FREE taster Class.
